***Please pick one song for each section.
It's possible to interchange songs, though hymns for
psalms and the offertory procession are best taken from
the suggestions.***

***You can listen to some samples on my website
www.funeralsinger.ie***

***Just to note - if you are including non-
religious music in the programme (i.e. a
song not on the list), please be sure to check
with the priest. If in
doubt, generally secular songs will be
fine for the Entrance and Recessional
parts of the mass but the priest will have
the final say on this.***
